

FINN.

Arriving mid
August 2019

Angle fencing system

- 40x20mm angle pickets
- 4x powder coated rivets per picket
- Panels & gates available - 1200mm H or 1800mm H
- 38mm x 25mm top & bottom rails - fits standard shrouds
- Pool fencing compliant
- Available in satin black or pearl white powder coat finish - genuine Akzo Nobel powder

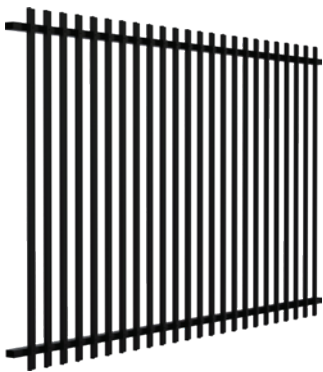

the range

Exceeds Australian
standards AS 1926-2012

Fully assembled &
ready for installation

Using a 40x20mm angle is a stylish upgrade to traditional tubular fencing. The 20mm protruding fin provides extra privacy when the panel is viewed from an angle
